NEWSLETTER -April 2020

Official information from the Board of directors
(Cengiz, Wenche and Eva)

Improvements and maintenance

The winter period is every year utilized to have larger work done at our site. This year we have finished the following:

- Repairs on all lifts finished and they have passed the control
- Put in new drainage system for B-block
- Changed drainage pipes for A-block
- Repaired and painted all gates
- Put in non-slip tiles on all steps down to the pool
- Finished painting the buildings and surrounding fence
- Changed broken rails around the pool
- Re-grouted tiles in the pool and pool area where needed
- Professionally cleaned all mattresses for the sunbeds
- Fixed broken cameras and light fixtures
- Made improvements to the soil and replaces weed with new grass

The Coronavirus situation

Due to the worldwide Coronavirus situation we have decided not to open the pool on the 1st of April, as planned. We will follow the situation and Turkish governmental decisions accordingly

Vision has provided us with disinfection equipment, and our workers have disinfected entrances, doors, lifts, handrails, gates, bins etc.

Please take care and stay safe – looking forward to hopefully see you all during the summer!

Financial situation – Q1 – 2020

Unfortunately, at the start of April 1st, we received only 45% of expected revenue. In addition to reducing the common costs to 3,000, we have had large unforeseen expenses related to the required repair of all the lifts.

This means that Prime Blue 3 is in a very tight financial situation, and we therefore ask that all owners pay the maintenance fee as soon as possible.

If you have challenges in achieving this, please contact the board.

The appointed auditors have been sent accounting details for Q1 - 2020.

HAPPY EASTER!

Best regards
Board of directors, Prime Blue 3
